#### CURTAIN CALL

With its extravagant draperies and grand proportions, the room needs no further embellishment.

"If you're a classic romantic, this venue is ideal—not only for brides and grooms, but also for photographers. You can't compete with being directly across from the Public Garden, and we can bring wedding parties over to the Commonwealth Avenue Mall or Newbury Street. Then there's the ballroom, with its balcony, amazing chandeliers, tall windows and draperies, and great views." —BRIAN PHILLIPS, 617-821-1084, BRIANPHILLIPSPHOTO.COM
